VARIATION FOR GOUROCK CURLING CLUB

AGM 1991

In the case of the Club's League Rink games, it was agreed that a 5 shot penalty be imposed against Rinks who failed to appear with their full complement of players.

It was agreed that the penalty should be imposed if the full team had not appeared by the commencement of the fourth end.

AGM 1993

The penalty position was clarified by agreeing that the 5 shots be DEDUCTED from the score of the offending team.

AGM 2015

The Match Secretary announced, and the Meeting agreed that:-

(a) in the event of a 'draw to the head', a stone is only countable if it breaks the outer ring.
(b) if the Controller of Reserves has been unable to obtain reserves, and the game is 3v3, there will be no penalty.
(c) if a team has less than 3 players, and is unable to take to the ice at the appropriate time, the game will be forfeited, the penalty being 5 shots, and 5 ends.

AGM 2024

The deduction from a team's score, for appearing on the ice without their full complement of players, is a Handicap, not a penalty. That Handicap is now altered from Five to Four, and is applied in a graduated way, over the first four ends.

Full team not on ice at start of 1st end -- 0 shots

Full team not on ice at start of 2nd end -- 0 shots

Full team not on ice at start of 3rd end -- 2 shots

Full team not on ice at start of 4th end -- 2 shots
